### CONSIDERANDO

En Guanajuato se tiene como visión clara de esta administración, garantizar la seguridad, la justicia y la paz social, al impulsar decididamente la reconstrucción del tejido social, el fortalecimiento de las familias para lograr que cada guanajuatense cuente con condiciones igualitarias para favorecer una vida plena y saludable, con acceso universal a la salud y a la educación, a través de esquemas innovadores que nos permitan acceder a nuevos mercados con alto valor tecnológico y a un mejor ingreso. Todo ello en un marco de respeto al medio ambiente y el aprovechamiento sustentable de los recursos naturales, para asegurar el futuro de las siguientes generaciones, en donde el Gobierno es un aliado cercano a la sociedad y la ciudadanía participa activamente en la construcción de un mejor Guanajuato.

El Gobierno del Estado de Guanajuato se ha propuesto el mejoramiento y desarrollo de la sociedad. En este sentido, la presente administración pública estatal se ha planteado como prioridades: disminuir la población en condición de pobreza, incrementar las opciones de empleo, elevar el ingreso y mejorar su distribución y vitalizar el tejido y la cohesión social. Este es un compromiso que ha adquirido y para el que ha deslegado una estrategia transversal llamada Impulso 2.0, que aglutina los esfuerzos de varias dependencias enfocadas al crecimiento social en particular de las personas que más lo necesitan.

Guanajuato ha sido reconocido por la asociación civil Gestión Social y Cooperación (GESOC A. C.) en este desempeño como uno de los tres Estados que cuentan con mejor Índice de Capacidades para el Desarrollo Social (IDES), gracias al trabajo arduo en elementos como la planeación para el mediano y largo plazo, en la incorporación de mecanismos de participación ciudadana y en el monitoreo y evaluación de programas sociales, siendo el primer lugar nacional en la gestión eficiente de programas y acciones estatales de desarrollo social.

Es en este marco, en donde se quiere potenciar la reconstrucción del tejido social y corresponde a esta dependencia gubernamental determinar las zonas de atención prioritaria que representen un interés para el Estado de Guanajuato, para la asignación de los recursos que permitan elevar la calidad de vida de la población y el desarrollo de infraestructura.
